

Synthesize Investment Policy Reports and Summarize for Economic Bureau Senior Leaders

Project Title	Synthesize Investment Policy Reports and Summarize for Economic Bureau Senior Leaders
Project Summary	Synthesize investment reports on global investment policy trends, or the investment policy regimes of specific countries and summarize for Economic Bureau senior leaders.
Country	United States
Agency	Department of State
DoS Office	EB/IFD/OIA
Post	N/A
Section	N/A
Number of Interns	2

Project Description

Multilateral agencies such as the UN, World Bank, IMF, OECD as well as third party sources frequently issue reports analyzing global investment trends, investment policy regimes, trends in investment agreements and other related topics. This project is an opportunity to read and learn about these trends, and summarize individual reports for senior policy-makers. Depending on the intern's location, tasks may also include attending conferences on these topics and writing summaries of conference outcomes.

Desired Skills Interests

Additional Information

You'll be working directly with a senior official in the State Department's Economic Bureau, Office of Investment Affairs. Interns may be located anywhere and we will send you reports for review and summary.
